

Athens vs. Sparta - "would you rather"

Look at the powerpoint titled "Rivals Athens vs. Sparta"

Then, using examples from the powerpoint tell me which city state you would rather live in if:

- 1) You were a teenage girl.
- 2) You were a young boy
- 3) You were a slave
- 4) You were a young soldier
- 5) You were a wealthy person of the citizen class.

Your responses should be neatly handwritten or typed and shared with me by the end of the hour.
