

Great Depression Timeline – 10 Points

Individually or with a partner create a timeline of events that lead up to and during the Great Depression.

- Your timeline should include 15 – 20 events.
- Make sure each event has a title, date and brief description of its connection to the Great Depression.
- Neatness counts! Please create your timeline on a piece of large white paper or created in a word processing document (NO powerpoint or Prezi)
- Make sure your name(s) are on the top of the assignment!
